GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

10th May 1877, No. 1,685-A.

Famine Relief.

Read the following paper:—

No. 208-A. Proceedings of the Board of Revenue, dated 28th April 1877.

Read the following letter from J. E. PRICE, Esq., Acting Collector of Cuddapah,
to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 20th
April 1877, Extra No. 868.

I HAVE the honor to acknowledge the Proceedings of the Board of Revenue,
Miscellaneous No. 5,236, dated 11th instant, and to express my apprehensions that
I have misled the Board in regard to my report upon the grain-supply of the
district.

2. What I alluded to in my letter, Extra No. 302, dated 13th March 1877, was
the supply of Government grain, in regard to which I have subsequently written.

3. I some time since commenced an attempt to calculate what was the
actual amount of grain in the district, but the information given was so obviously
incorrect, and every one was so busy, that, as I had not been instructed to work
the matter out, I let it drop.

4. If the Board desire it, I will make another trial, but I do not think that
much reliance can be placed in the result.

The Board do not think that there is at present any need for the Collector to
go into the general questions of the food-supply of the district, or of supplement-
ing private trade in any particular quarter. The working of the trade should,
however, be carefully watched, and this is no doubt being done by Mr. Price.

2. The subsequent letter to which he refers is apparently that of 14th March
1877, Extra No. 350, and with reference
G.O. 9th April 1877, No. 1,378-A. to this it is observed that Government
are awaiting an expression of his views as to the desirability of adding to existing
stocks and Government depôts from the Government reserve.
