GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Famine Relief.

Read the following paper:—

No. 210-A. Proceedings of the Board of Revenue, dated 28th April 1877.

Read the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 19th April 1877, No. 369.

In continuation of this office letter, dated 29th ultimo, No. 305, I have the honor to submit the following estimates for the sanction of Government:—

		Rs.
1.	Constructing a road from Chagalmarri to Mutyalpad, length 6 miles	18,603
2.	Constructing a road from Rudravaram to Alamur	23,256
3.	Do. do. Alamur to Mutyalpad	24,804

The first two of the above roads are already in progress. The estimate for the road from Alamur to Rudravaram has been revised with reference to Board's Proceedings, No. 736, dated 20th February 1877.

The third estimate is for the connecting link between the above-said roads strongly recommended by Mr. Gibson and referred to in paragraph 2 of his letter, No. 289, dated 16th March 1877, communicated to the Board with this office letter, dated 29th ultimo, No. 305.

The estimates are submitted for the orders of Government.

2. An estimate for the road from Alamur to Rudravaram was sanctioned in G.O., 2nd March 1877, No. 910. The present is a revised one.

3. The letter from Mr. Gibson on the subject of the road from Alamur to Mutyalpad is recorded in Board's Proceedings, 14th April 1877. The Board think that orders on the estimate should be deferred until the necessity of taking up the road as a relief-work is more pressing than at present.

FOR ORDERS.

Kodavenum
7½ miles
Mavanur
8 miles
Muttigalpad
6 miles
Chagalmari

The 3 estimates now forwarded are to connect 4 places in the Sirwell Taluq of Kunnoor placed relatively to each other as shown in the margin.

The estimate for the 7½ mile road is a revised one the original estimate sanctioned vide G.O. of March 2nd No. 910 having amounted to 16130 Rs. The revised estimate comes to 23256 Rs. without masonry works.

The estimate for the second piece of road 8 miles long amounts to Rs 24809 also without masonry works.

The estimate for this road was not sanctioned in the above G.O. though with the Board's Proceedings of which that G.O.

G.O. was passed, an estimate amounting to Rs. 212.50 was submitted for sanction the road being then apparently considered only 7 miles long. The difference between the first estimate and the present one is probably accounted for by the extra mile now added on. The estimate for the third road amounting to Rs 18603, and had been sanctioned, and road officers, however to be in progress along with the road from Bhdravenna to Alamur which had been sanctioned.

Orders are now requested whether —

1st The estimate for the road from Alamur to Mudiyapad should be disallowed ~~and the work stopped~~ or not.

2. The estimate for the road from Chagalamarri to Mutyalpad be sanctioned or not. The Board think the foregoing ~~estimate~~ query to be referred.
