No. 211. Proceedings of the Board of Revenue, dated 1st May 1877.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Penukondah, 20th April 1877, No. 200.

With reference to the Proceedings of the Board's Miscellaneous No. 4,316, dated the 23rd ultimo, I have the honor to enclose, for the information of Government, copy of a letter from the Acting Head Assistant Collector, Mr. Ross, answering the questions put.

ENCLOSURE No. 1.

From H. T. ROSS, Esq., Acting Head Assistant Collector, to J. H. MASTER, Esq., Collector of Bellary, dated Hindupur, 12th April 1877, No. 231.

With reference to your foot-note to G.O., No. 1,103-A, dated 16th March 1877, I have the honor to report that nearly all the Mysore coolies who were dismissed from my works by the orders referred to in my letter, No. 34, dated 23rd January last, were persons who merely came to work in the morning and returned to their own houses in the evening. For these no maintenance was necessary on the road. The Tahsildar of Madakeira, however, having represented to me that several families had come from Mysore and settled for the time at Gahaurry in his taluq, I allowed an exception in such cases, and they were not sent back.

2. Just then came the orders in your letter, No. 152, dated 20th January, to send back all Mysore coolies and to use the Police force for the purpose if necessary. Those orders were sent on to the Tahsildars.

3. At the same time I communicated with the Deputy Commissioners of Kolar, Toomkoor, and Chitaldrug, of the letter of which I now enclose a copy, and from the Deputy Commissioner of Kolar I received the reply, of which a copy is also enclosed.

4. I may add that on the 17th March Mr. Mahomed Ali, Assistant Commissioner of Kolar District, came to Penukondah to make arrangements for return of Mysore paupers, and had the few (about forty altogether) who were found to be still in my taluqs taken away to their homes, himself making arrangements for their maintenance.

SUBMITTED for the information of Government.

2. It would have been more satisfactory had the numbers of Mysore coolies, who "came to the works in the morning and returned to their own houses in the evening," and who were turned off, been given. The circumstance that the Mysore coolies were of this class may explain the apparently absurd fact that when a Mysore officer came to take charge of them he could only find forty persons.
