From the Collector of Malabar, To the Chief Secretary to Government. Dated 10th March 1877. No 23.

With reference to your official Memorandum No 287 of the 7 ultimo, I have the honor to inform you that, on careful Enquiry and after reference to the Tahsildars of the District on the subject of the question of the supply as regards seed grain required for the next cultivation, I conclude that they have already stored what seed they require for the first or Karmi crop, the poorer of them according to their Landlords for purchase or loan of Rice. They have also stored for the most part seed to meet their requirements for the 2d or Mathanam Crop, and those that have not as yet done so, will do

be able to get the same letter by purchase or loan. —
