From, The Collector of

Sir,

In continuation of my
letter No 4, dated 23rd November 1876,

I have the honor to submit copy of
a letter from the Acting Sub Collector
No 1714 dated 25th Instant.

Matters, in the Sub Division, are not,

I regret to say, improving The number
of persons asking for employ is daily

on the increase and that the grant of
17,000 Rs already sanctioned for the

Sub

Sub Division appears to be insufficient
 for affording employment for all the
 distressed applicants for labour Mr.
 Wilkinson considers that a further grant
 of Rupees 1,000 (in round numbers)
 will be sufficient "for the present"
 and as Rupees 6000 have already
 been granted by the Board in their
 Proceedings No- dated 24th November 1876,
 I beg that sanction be given for Rupees
 10,000 more to enable him to carry on
 the Works mentioned in the two
 statements, of which copies, are here-
 with enclosed.

I have employed Mr Murray who recently lost his appointment in the Forest Department, owing to reduction of Establishment, on a monthly salary of Rs 15 with Rs 5 as horse allowance (to be paid from Relief Funds) to assist the Tahsildar in supervising Relief works, and have also given the Superintendence of all Relief works between Coimbatore, Taluk, and Sowdapherry to my Shumtadar
