GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

12th May 1877, No. 1,702.

Read the following paper:—

No. 243. Endorsement of the Secretary to Government, Public Works Department, dated Fort St. George, 13th April 1877, No. 956:—

From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Acting Chief Engineer, (Roads and Buildings,) Madras, dated Luckadie, 4th April 1877, No. 1.

I SHALL be much obliged if you will be so good as to inform me whether there is any Government Order which directs that before Government waste land is sold the District Engineer should be advised thereof, in case he has any objection to urge on public grounds connected with his department. I am given to understand that the practice on the Nilgiri Hills is for the District Engineer to be consulted in all such cases, and the circumstances of Wynad are so very similar that, if there is no such order, I think that Government ought to be addressed to pass one.

TRANSFERRED to the Revenue Department for disposal.

(Signed) E. A. FOORD, Colonel, R.E.,
Secretary to Government, P.W.D.

No. 244. ORDER THEREON, 12th May 1877, No. 1,702.

The Government see no need for reference to the District Engineer of application for purchase of waste land.

(True Extract.)
