PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th December 1876.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Tandrampet, 29th November 1876, No. 558 :—

I REGRET to report that I yesterday received a report from the Acting Tahsildar of Kullakurchi, who has just taken charge pending the disposal of the charges against the Tahsildar Badrachellam Pillay, to the effect that, on examining the treasury when taking charge of the office, he found six half anna pieces in one of the bags which should have contained 1,000 Rupees. This was on the 22nd instant. The shroff suggested that the missing Rupees might be in some of the copper bags, so on the next day the Tahsildar set to work to examine these bags, 136 in number. He had examined forty when struck by the white appearance of some of the copper pieces, and thinking he might have been deceived in his examination of the previous day, he again examined the bag in which the deficiency had been found and discovered that there where no less than seventy-three half annas and one quarter anna mixed up with 920 Rs. There thus appears to be a deficiency of Rupees 77-11-3.

2. I have requested the Sub-Collector to proceed immediately to Kullakurchi and hold an inquiry, and will report further on the matter when I hear from that

ENCLOSURE No. 1.—Translation of Arzi.
