Famine Relief.

Read the following paper :—

No. 326-A. Proceedings of the Board of Revenue, dated 4th May 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to
H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Thalli,
26th April 1877, S. N. No. 1,266.

G.O., No. 552-A, dated 7th February last, authorizes the administration of gratuitous relief at the rates mentioned therein to gosha women above fifty years of age. In this district there are a large number of such women in distress and without any one to care for them, but whose age is under fifty. To withhold relief from them will lead to bad consequences, and they cannot be given any work, as their class restraints do not permit of their taking up any. There are also various other difficulties in the way of supervision, payment, &c. Under these circumstances, I have the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government to the extension of the concession to those under the age fixed by them.

THE Collector is not tied down to the conditions of relief to gosha women in force in the town of Madras, and is at liberty to propose any modifications of it which may be necessary to suit the circumstances of his district. The limit of age may be set aside and a ticket system might be introduced.
