GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

May 1877, No. 1,734.

Famine Relief.

Read the following paper:—

No. 325. Proceedings of the Board of Revenue, dated 21st April 1877, No. 1835.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 14th April 1877, No. 267.

Adverting to paragraph 6 of G.O., dated 31st January last, No. 329-F. D., I have the honor to report on the physical condition of the coolies employed on relief works in this district, during the week ending Saturday the 7th instant.

2. The tenor of the reports received from the officers, in charge of relief works, is very similar to those furnished by them last week. I may notice, however, that the Tahsildar of Trivellore thinks that the coolies are low in condition, and less capable of hard work than they were in the previous week, and the special relief officer states that they have "fallen off in condition and appearance" "and are losing heart"—*Vide* my letter No. 257 dated 13th instant. I have since this morning inspected the Tirumushi camp, and could see little difference in the condition of the working coolies there. The great majority of these, however, are women and children, the bulk of the able-bodied men having gone off to the Railway works, so what they earn all goes in feeding themselves.

3. I have not heard further from the Sub-Collector.

SUBMITTED for the information of Government.
