REVENUE DEPARTMENT.

2. Mr. Goodsir arrived on or about the 12th ultimo, and received your orders to visit and report on various irrigation projects in different portions of the taluq a few days afterwards; he did not, however, see fit to comply with these orders till the 2nd instant, occupying his time meanwhile in submitting frivolous estimates for the repair of works, which, I found on examination, required no repair, and which were situated in the immediate vicinity of his then camp at Vemulacotta. Mr. Goodsir went further arrogating to himself the entire control of the Professional Establishment without reference to me, and in other ways doing his best in destroying the harmony that then existed between the Revenue and Professional Departments.

3. Under these circumstances, I am not prepared to advocate any addition to Mr. Goodsir's pay, nor do I think it advisable to entrust Mr. Goodsir in charge of any large number of men.

From H. R. FARMER, Esq., Ag. Head Assistant Collector of Karnool, to R. DAVIDSON, Esq., Acting Collector of Karnool, dated Cumbum, 5th April 1877, No. 1,026-A.

In continuation of my foot-note, No. 828-A, dated 31st March 1877, submitting Mr. Goodsir's conditional resignation, I have the honor, with reference to the enclosed copy of a letter from Mr. Mayer, to state that, in my opinion, the opportunity offered of being relieved of Mr. Goodsir's services is one which should not be lost.

2. Mr. Hicken is virtually engineer of the section, and I request that if you and the District Engineer see no objection, he should be officially constituted engineer of the section by you. This arrangement will, I believe, be advantageous in every way, and the best that can be made if the services of another engineer of recognised standing are not available.

SUBMITTED for the orders of Government.

2. The Board are unacquainted with Mr. Goodsir's antecedents and qualifications, but agree with the Collector that the district can ill afford to lose a professional man. If Mr. Davidson thinks the district work will be advanced thereby, he should transfer Mr. Goodsir to another range, and replace him by another officer. It should not be left to Mr. Farmer to effect an exchange with

Read the following papers:—

No. 351. Proceedings of the Board of Revenue, dated 4th May 1877, Miscellaneous No. 6,564.

Read the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 24th April 1877, No. 397.

I HAVE the honor to forward, for such orders as Government may think fit to pass, an application from Mr. Goodsir, Assistant Engineer, for increased allowances.

2. Mr. Goodsir was posted to this district for employment on relief-works under G.O. dated 15th February, No. 680, on a salary of Rupees 200 with Rupees 30 horse allowance. He has been only a short time in this district, and even in that period his conduct has been unfavorably reported on both by Mr. Farmer and Mr. Mayer, so that I hardly see my way in supporting his application for an increased allowance.

3. Copies of letters from Messrs. Farmer and Mayer, reporting on the conduct of Mr. Goodsir, are enclosed for the information of Government. We can ill afford to lose his services, and I cannot help thinking that had Mr. Farmer, the section officer, exercised a little more firmness, Mr. Goodsir's conduct might have been better.

4. I have suggested to Mr. Farmer that he should effect an exchange with either Mr. Gibson or Clogstoun, who would keep Mr. Goodsir in order and make him do his duty.

From A. D. GOODSIR, Esq., Engineer No. III, or Cumbum Section, to H. R. FARMER, Esq., Acting Head Assistant Collector, dated Cumbum, 30th March 1877, No. 30.

In continuation of my letter, No. 22, dated 28th instant, I have the honor to request that you will be so good as to submit, through the regular channel, to the Secretary to Government, Revenue Department, for the consideration of Government, the following:

1. I find that the salary which has been offered to me with satisfaction to any advantage to the Government. I therefore request that you will be so good as to early orders whether the following allowances will be granted to me, namely, Rupees according to G.O. (Public Works Department), No. 108, of 13th January 1877, a copy of which is herewith forwarded; also travelling allowance by mileage or per diem. And unless this is granted me, I beg to resign the duties to which I have been appointed.

3. In the mean time, I will proceed and have your instructions regarding the Gollanidipi Tank carried out.

No. 923-A.

SUBMITTED to the Acting Collector with a request that, if the services of a suitable engineer cannot be procured for Mr. Goodsir's present pay, the extra allowance of Rupees 80, together with 3 Rupees a-day when travelling, may be sanctioned.

Mr. Goodsir, employed on Relief works in Kurnool District. — Initiating, with reference to a Proceeding submitted in application for increased allowance to — that under G.O. No. 1877, No. 1,345-A, he will be entitled to travelling allowance at the rate of 2 Rupees a-day.
