To
The Secretary to the Board of
Revenue

Sir I have the honor, by desire of
the Surgeon General to request, that
the Board of Revenue will be so good
as to ask Revenue officers under
whose medical subordinates
have been placed for duty in
famine and pestilence stricken
districts, to take special note of
such members as distinguish
themselves by zeal in their work,
and to favour the Surgeon General
with a report at the close of
these

these operations

2. With the aid of these reports it is
the intention of the Surgeon General
to bring deserving members to the
notice of Government for some
recognition of good services rendered
in connection with the arduous
