GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

18th May 1877, No. 1,750.

Famine Relief.

Read the following paper :-

No. 357. Proceedings of the Board of Revenue, dated 28th April 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Royacotta, 21st April 1877, No. 1,208.

In continuation of my letter, No. 1,100, dated 10th instant, I have the honor to enclose an additional estimate of Rupees 1,500 for constructing culverts on the road from Taramangalam to Chinnappamputty, via Jalagundapuram. The original estimate already submitted amounted to Rupees 10,400, to which should be added the Rupees 1,500, the amount of the estimate now submitted, and which increases the cost of the road to Rupees 11,900. I request early sanction of Government to the estimates in question. The road from Taramangalam to Chinnappamputty crosses several jungle-streams, and unless the culverts are constructed, the road will [illegible]sly damaged and the money spent will become so much money wasted.

Submitted to Government in continuation of Board's Proceedings, 20th April 1877, No. 1,802.

Secretary.

No. 358. Order thereon, 18th May 1877, No. 1,750.

Miscellaneous.

The additional estimate is sanctioned on the understanding that road-dams, which could be executed by famine labor, will not suffice. It will be worked out by the Public Works Department, in accordance with G.O. of the 20th April 1877, No. 1,498.

From

The Collector of

Salem

To The Secretary to the Board

of Revenue

Madras

Sir

In continuation of my letter No. 1100 dated 10th Instant, I have the honor to enclose an additional Estimate of Rs 150 for constructing culverts on the road from Saramangalam to Chinnasamudram via Jalagundapuram. The original Estimate already submitted amounted to Rs 10400 to which should be

be added the Rs 1500, the amount of the Estimate now submitted and which increases the cost of the road to Rs 11900. I request early sanction of Government to the Estimates in question. The road from Saramungalam to Edumanjampatty crosses several jungle streams and unless the culverts are constructed the road will be seriously damaged and the money spent will become so much money wasted.
