No 402 Read the following Proceedings of the Board of Revenue, dated 9th December 1876, No 3,124 —

Read the following letter from J D B GRIBBLE, Esq, Acting Sub Collector of Cuddapah, to J R DANLL, Esq, Acting Collector of Cuddapah, dated Velhgalloo, 30th November 1876, No 560

I HAVE the honor to acknowledge the receipt of Board's Proceedings declining to sanction batta to gumastahs I beg that as regards the gumastahs who have to accompany me and the officers on special duty an exception may be made I cite one instance

2 During this month I have travelled 302 miles and during the whole of that time I have been accompanied by one gumastah It would have been impossible for the whole of my Office to have kept up with me, and the gumastah could only do so by hiring bullocks thus he cannot do under Rs 1 for 10 miles, so that the actual cost he has incurred is Rs 30 The amount of his batta bill for this month, however, is only Rs 13

3 I cannot possibly guarantee that the money on relief works is properly spent, unless I constantly supervise every work myself, and thus I can only do by travelling rapidly Whilst this distress lasts I calculate that I shall have to travel between two and three hundred miles every month, and the gumastah who accompanies me will have to do the same

4 The Board have refused to pass me any extra allowance I can better afford any loss, but these poorly paid gumastahs cannot, and I therefore beg that some indulgence may be shown to them
