in Charge of Section No. II.

The Acting Collector
Kurnool.

Sir,

When I left Madras for Kurnool being unable to procure tents at a moments Notice I applied to the Quarter Master Generals Depôt for the loan of 2 Staff Sergeants' Tents and two Rowties. These were lent to me and the Government accorded their sanction to the arrangement in Government Order dated 21st November 1876 No. 1748 R.D. I am now expecting to receive an equipment of tents from Jubbulpore and shall have no further occasion to use those belonging to the Quarter Master General.

2. When Messrs Brett and Stanborough were appointed to this District they were supplied with a bechoba a piece, under Government Order. Under the existing organization of Relief operations these gentlemen are required to travel about in their respective Talukes and now that the hot weather is setting in it is important that they should be

better supplied with tents than at present. I therefore propose with the permission of Government, for which I beg that you will kindly apply, to divide the tents which I now have between Mr Brett and Mr Stanborough (1 Staff Sergeants and 1 Rowkie Tent each) who will return them into store at the termination of the Famine.

I have &c
