Proceedings of the Madras Government, Revenue Department,
17th January 1877

No 404 Read the following Proceedings of the Board of Revenue, dated 11th December 1876 —

Read the following letter from J B DANIELL, Esq, Acting Collector of Cudda-
pah, to H E STOKES, Esq, Acting Secretary to the Board of Revenue,
dated 6th December 1876, No 32

The Abkari renters of the district have appeared before me in a body and
presented the enclosed petition for a remission of the Abkari rent They all appeared
with the exception of the renters of Kallai and Royachoti

2 It is at present too early to ascertain the actual loss incurred by them This
cannot be ascertained until the whole year has passed, if the remainder of the year
be favorable, there will be no necessity to grant a remission

3 The Abkari rent is, on the whole, less than in the previous years In Madana
palli and Voilpad alone the bids are in excess of previous years, in the remaining taluqs
the amount is less, notwithstanding this the present dearth and distress must cause a
very large decrease in the sale of Arrack and it indulgence ever be granted to Abkari
contractors, it may be given in the present year The people are mostly too poor now
to purchase Arrack The cost of jaggery for the manufacture has increased from 1 Rupee
or 1 Rupee 2 Annas up to Rupees 1 10 per maund The sub renters and shop keepers
being unable to sell, cannot fulfil their engagements with the renters

4 The renters ask for some temporary relief, and not, at present, for a perma-
nent remission. They wish that a certain percentage of the monthly instalments may
be permitted to remain uncollected until the end of the year shows what amount of
remission is required This percentage they fix at 40 per cent, this is rather high,
and they wish it to be allowed retrospectively from August, this however I cannot

5 Almost the whole of the September list has been paid up, but a considerable
amount of the October list, payable on November 1st, is in arrears

6 I recommend that 20 per cent of the demand for the whole district may be
allowed to stand uncollected until the question of remission be settled.

The Collector's proposal is approved
