No. 1,011.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th March 1877.

Read the following Proceedings of the Madras Government, dated 30th December 1876, No. 2,215, Revenue Department :—

Read the following letter from the Hon. T. C. HOPE, Officiating Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Statistics), to the Hon. W. HUDLESTON, Chief Secretary to the Government of Madras, Revenue Department, dated Calcutta, 15th December 1876, No. 622 :—

I AM directed to forward the annexed extract (paragraphs 1—7 and paragraph 10) of a letter to the Government of Bengal, No. 621, dated this day, and to request that the instructions given may be held to apply equally to Madras, and that, under the orders of His Grace the Governor in Council, the necessary orders may be given in view to their execution.

ENCLOSURE No. 1.

Extract paragraphs 1 to 7 and paragraph 10 of a letter to the Government of Bengal, No. 621, dated 15th instant.

In paragraph 22 of the report of the Committee appointed to consider the Indian Tariff, dated the 27th February 1875, it was observed that the Committee had experienced much difficulty in the course of their inquiries owing to the absence of sufficient details in the published returns under many classes of goods. The Committee recommended that orders should issue to all Custom-houses to prepare one return in accordance with the classification of the Tariff.

2. The Governor-General in Council concurs with the Committee, and is of opinion that both for fiscal and statistical purposes it is desirable that the tables of General Imports from foreign ports subject to duty—Nos. 22-3 and 22-4 of the annual volume of Trade and Navigation for the Presidency of Bengal—should be somewhat enlarged by the addition to the sub-headings in the list of articles prescribed by the Government of India of the sub-headings entered in the Tariff Act of 1875, in every case in which the Tariff sub-headings do not appear now in the prescribed list. I am accordingly directed to request that, under the orders of His Honor the Lieutenant-Governor, the necessary instructions may issue to the Customs Authorities in Bengal, in view to the insertion of the particulars required in the annual volume for 1876-77, the volume for 1875-76 being, it is understood, mostly in print already.

3. None of the present entries in the alphabetical list of articles are to be struck out; they are merely to be supplemented by the insertion in the proper place of such of the Tariff sub-headings as do not appear in the list.

4. His Excellency in Council also desires that in Table No. 23-1 (exports to foreign ports of principal articles free of duty—Indian produce and manufactures,) cotton manufactures may be sub-divided in accordance with the divisions adopted in the Tariff for imported cottons. This is now done in the Bombay Presidency, and the returns for that Presidency may be taken as a model of what is required for this entry.

5. It is not anticipated that in Bengal any difficulty will occur in the execution of these instructions, so far as the compilation is concerned; for in the Calcutta Custom-house, the details now required are already carefully registered, and the only additional labor which will be entailed will be that of copying these details once in the year from the ledgers in the forms for
