GOVERNMENT OF MADRAS.

DEPARTMENT.

23rd May 1877, No. 1,792-A.

Famine Relief.

Read the following paper :—

No. 460-A. Proceedings of the Board of Revenue, dated 14th May 1877.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 5th May 1877, No. 322.

In forwarding the enclosed extract from the Proceedings of the Local Fund Board of the Saidapet Circle, dated 16th ultimo, together with a copy of a letter, dated the 26th idem, No. 167, from the Inspector of Vaccination, I have the honor to request that the Board will be good enough to obtain the early sanction of Government to the employment of four temporary second-class vaccinators on Rs. 10 each per mensem to be paid from Famine Relief Funds.

2. The Board are well aware that the Local Fund Board are now unable to bear any extra charge, and unless Government are pleased to sanction my proposal, I fear that small-pox, which is already very prevalent in the district, will increase owing to the congregation of large crowds in and around camps, relief-houses, works, &c.

ENCLOSURE No. 1.

Extract from the Proceedings of a Meeting of the Local Fund Board of the Saidapet Circle, dated 16th April 1877.

6. Read letter from the Superintendent of Vaccination, Chingleput District, dated 12th March 1877, No. 133, requesting the employment of four temporary vaccinators, the present staff being insufficient to meet the demands of the district owing to the prevalence of small-pox. The Board regret that they have no funds to employ additional hands, but would suggest the Collector addressing the Board of Revenue in view to the establishment being entertained from Famine Relief Funds.

Collector.

ENCLOSURE No. 2.

From Surgeon-Major J. SHORTT, M.D., Inspector of Vaccination, Madras Presidency, to R. W. BARLOW, Esq., President, Local Fund Board, Chingleput District, dated Madras, 26th April 1877, No. 167.

I HAVE the honor, with reference to your letter, No. 198, of the 25th instant, to state that the present staff of vaccinators is perfectly inadequate to meet the wants of the district. Owing to the present drought and famine small-pox is prevalent in the district, and the congregation of large famine camps is likely to add to the evil. Under the circumstance I would suggest the immediate employment of six temporary second-class vaccinators for work in your district during the continuance of the present distress.

Revenue Department, 23rd May 1877, No. 1,792-A.

SUBMITTED for the orders of Government.

2. The Local Funds are in a very embarrassed condition, and the actuals of 1877-78 are likely to be worse than the estimate. The charge might be sanctioned from Famine Funds and made recoverable from Local Funds hereafter, say, in 1878-79.

(Signed) H. E. STOKES,
Secretary.
