Famine Relief.

Read the following paper :—

No. 471-C. Proceedings of the Board of Revenue, dated 14th May 1877, No. 2,220.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 5th May 1877, No. 319.

In reply to the Proceedings of the Board, dated the 25th ultimo, No. 1,905, I have the honor to observe that the increase I recommended to the Treasury Department is, the Board will remark, less than that asked by the Treasury Deputy Collector, but I will report further on this subject shortly after trial in consultation with Mr. Smith.

2. As regards the preparation of the bills of famine expenditure, the same have just been received up to the end of March from the Deputy Collector in charge of the Trivellore Taluq, and stringent reminders have been sent to other officers in charge of Relief Works. Special funds from the Sub Department are at the disposal of the Sub and Deputy Collectors for Famine generally. Mr. Deputy Collector Jones has applied for a Special Accounta this purpose—*vide* my No. 292, dated 25th ultimo. No special requisition been received from the Sub-Collector.

3. With reference to the "classified statement of outlay," they have been submitted to the Board complete up to the end of February with my letter No. 289, dated 24th ultimo, and those for March go to-day. I am not aware to what the Board allude when they state that they hear that this matter "has been neglected."

The Collector's further report is awaited.

2. The Board are glad to learn that the audit in Divisional offices and the preparation of bills is in hand, though from the Collector's letter it does not appear that much progress has been made. It was to this matter they alluded when they said that they feared* (not that they heard) that it was neglected.
