REVENUE DEPARTMENT.

23rd May 1877, No. 1,790-A.

Famine Relief.

Read the following paper:—

No. 473-A. Proceedings of the Board of Revenue, dated 9th May 1877, No. 2,156.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cuddapah, 30th April 1877, No. 191:—

I HAVE the honor to acknowledge the receipt of the Proceedings of the Board of Revenue, No. 6,245, dated 27th instant.

2. I should like very well to see Mr. MacCartie in charge of Royachoti and Kadiri Taluqs, and feel convinced that he would soon reduced them to the same order that he has Cuddapah, but I do not know how I should be able to manage without him to assist me as he does by moving about and setting relief matters straight as he recently did at Royachoti and is now going at Badwail, or who to do it. It is utterly impossible for me to take any more work myself, and, if Mr. MacCartie assumes charge of Royachoti and Kadiri, I must have another passed Assistant.

4. I take this opportunity of suggesting for favorable consideration that Mr. MacCartie should be allowed to draw travelling allowance of a Sub-Collector with retrospective effect from the 1st instant. He has had several heavy and long trips, and has had to march rapidly. He has never complained on the subject, but once, when the matter of travelling allowance was mentioned, he casually observed that he invariably lost considerably by his marches on special duty. He has far more travelling than if he was merely doing his work as a Divisional Officer, and I would submit that he might be fairly, and without injustice to others, receive the increased rate.

The Board presume that Mr. Gribble having applied for leave, some other arrangements for the Sub-division charge will now be made by Government.

2. Mr. Price's recommendation for favorable consideration of Government.

3. Mr. MacCartie has been from the beginning of the year engaged in frequent tours of inspection beyond the limits of his own charge, and the Government may, therefore, perhaps be disposed to allow him the higher rate of tentage. He has inspected Pulivendla, Jummalmadugu, Proddatore, and Royachoti Taluqs beyond his own division.
