PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from
the Government Grain Agent, Bellary,
to the Chief Secretary to Government,
dated 19 March 1877 N. 420.

As many of my contracts for
the carriage of grain are now approach-
ing completion I request authority
may be given me to close such lines
without further reference beyond re-
porting to you for the information
of Government.

As each line approaches com-
pletion, I must publish notices to
inform the public that carriage is
no longer available, except for grain
actually imported on the strength
of my advertisements and available
on the spot for immediate transport.

As the loss to Government in
Carrying

carrying grain for merchants is very
considerable, I think it is advisable
to close the arrangement as soon as
possible after the contract on each
line is completed.

Order thereon 24 March 1877 No. 1052

Sanctioned.
