*Proceedings of the Madras Government Revenue Department,
17th January 1877*

No 412 Read the following Proceedings of the Board of Revenue, dated 15th December 1876 —

Read the following letter from J H MASTER, Esq, Collector of Bellary, to H E STOKES, Esq, Acting Secretary to the Board of Revenue, dated 13th December 1876, No 499

With reference to my telegram to Government, dated the 29th and their reply to it, copies of which are herewith sent, I have the honor to state that on the Tahsildar of Huvinhadgally being called upon to explain as to the extraordinary number of children that were fed, he asserts that the number he entered was by mistake that of the children fed during a whole week, and not for one day. He further states that their parents earn their livelihood on famine relief works.

2 He has been cautioned and directed only to relieve gratuitously those children whose parents are incapable of earning their livelihood, orphans, &c

3 I do not think that the Government charity will be again abused by the Tahsildar
