Proceedings of the Board of Revenue
Dated 17 March 1877.
Read the following:

Letter No. 267

From J. A. Price Esq.
Chief Collector of Madras

To H. Stokes Esq.
Secretary to the Board of Revenue
Madras.

Sir, I have the honor to acknowledge the receipt of the Proceedings of the Board of Revenue, Revenue Department, dated 6 instant.

2. I have entered fully into the state of the Sub Division in my letter No. 96 dated 2 instant.

3. When in the Sub Divisions, I took prompt and immediate measures to put a stop to undue wedding and reductions of gangs. There is no doubt as the Board remarks that it was carried too far. Still I adhere to the opinion that there

has been a large number of "paper" coolies, and I do not look, unless the famine continues after the period that one may at present justly expect, that numbers will increase to their former dimensions.

3. The distribution of European subordinates is according to my last accounts, as follows.

Madanapally Mr. Fricks & Lieut. Mowry

Kadavari Messrs. Swan and Otley

Kayachole Mr. Cotton.

4. Voilpand is in charge of B. Sparmanal
Chetty Mr. Fricks is to take the Taluk over almost directly

directly. Mr. Bradbury, B.C. I have been directed
to report himself to Mr. Gribble, who has already
informed me that he does not want any addition
to his European staff.

5. Mr. Hicks appears ^{most} to be an officer,
Lieut. Money promises to be a really good
though he has not the professional knowledge
of Mr. Hicks. Mr. Otley is pretty fair, but is not
a man whom I would have selected had
I had any thing to say to his appointment.
Of Mr. Swan I have already spoken in the
report alluded to above. He can work well
when he likes, and is, so Mr. Gribble has told
me how giving satisfaction. Mr. Cotton knows
his work and takes an interest in it. I
have not seen enough of him to be able
to judge what his actual degree of efficiency
is.

6. The concluding portion of the Board's
Proceedings seems to contain a clerical
error, for it is there stated "It is not essential
that the effect of the discontinuance of"
It is not the word "not" intended for "most"?
