GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

17th March 1877, No. 950.

Famine Relief.

Read the following paper :—

No. 199. *From Major F. J. HICKS, Government Grain Agent, Bellary, to the Officiating Chief Secretary to Government, dated 6th March* 1877, *No.* 363.

With reference to G.O., No. 641, dated 21st ultimo, but only received yesterday, I have the honor to report that the figures represent bags as noted in column 4 of the return.

2. With the exception of 2,000 bags to Bellary the issues have been to the reserve sub-depôts, but I fear that at first, owing to a mistake of the intention of Government on the part of District Officers, some of the reserve rice has been used for current expenditure.

3. There has been great and unaccountable delay on the part of District Officers in furnishing me with returns of the actual quantity of reserve rice received and stored, but as soon as I receive returns from all Officers in charge of reserve depôts, I will forward a complete return showing the quantity actually in store at each depôt.
