No. 511-A. From Surgeon-General G. SMITH, M.D., Surgeon-General, Indian Medical Department, to the Secretary to Government, Revenue Department, dated Fort St. George, 17th May 1877, No. 306.

WITH reference to Government Order noted in the margin, I have the honor to report, for the information of His Grace the Governor in Council, my inability to place the services of a commissioned medical officer at the disposal of the Sanitary Commissioner for sanitary inspection duty in lieu of Surgeon Pedroza, reported sick. His Grace is aware of the difficulties under which the Medical Department is laboring at present, so as to be constrained to recall for duty medical officers on leave in Europe, and, pending their arrival, it is feared that some appointments will have to be doubled up in consequence of medical officers breaking down from the strain to which they had been subjected.
