1828

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

28th May 1877, No. 1,828.

Read the following paper:—

No. 523. Proceedings of the Board of Revenue, dated 21st May 1877, Miscellaneous No. 7,348.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Sydapet, 18th April 1877, No. 365.

I HAVE the honor to enclose a dozen Carob (*Ceratonia siliqua*) pods, obtained from a tree growing on the Experimental Farm. This tree is now bearing, and has about 20 lbs. weight of pods on it. The pods are quite as large as those imported into England from the Mediterranean Coast. The tree is one of half a dozen that were brought out to India from Malta about 12 years ago by E. G. R. Fane, Esq., formerly Collector of this district. This, I think, is the first instance in which the Carob tree has produced pods in this Presidency. The specimen pods sent are not yet fully ripe; the pulp in which the seed is embedded is, therefore, much more astringent than it will be when fully ripe.

This letter will be submitted for the information of Government.

2. Mr. Robertson will be requested to send some seeds, when ripe, to the Honorary Secretary, Agri-Horticultural Society.

(Signed) C. D. MACLEAN,
Additional Sub-Secretary.

No. 529. ORDER THEREON, 28th May 1877, No. 1,828.

Miscellaneous.

ORDERED to be forwarded for the information of the Government of India. The pods will also be sent.

(True Extract.)

(Signed) C. G. MASTER,
Offg. Secretary to Government.

To the Board of Revenue.

Exd. F. R. Bantleman.

To be substituted
of the same as in the last.
