GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

28th May 1877, No. 1,829-A.

Famine Relief.

Read the following paper:—

No. 530-A. Proceedings of the Board of Revenue, dated 21st May 1877,
No. 2,324.

Read the following letter from H. T. ROSS, Esq., Acting Head Assistant
Collector of Bellary, to J. H. MASTER, Esq., Collector of Bellary,
dated Pennagondah, 5th May 1877, No. 315:—

THE Tahsildar of Madaksira suggests* the employment of carts, or
buffaloes to carry gravel when it can
only be obtained from long distances, or
certain road-works, the gravel, of course, being dug by the coolies all the same.

Under the spirit of the instructions in the margin of the task-work table for
roads, the suggestion of the Tahsildar may, I think, be permitted.

I have the honor to request your orders to permit carts or buffaloes being
employed under such circumstances.

SUBMITTED to the Board of Revenue for their orders.

10th May 1877. (Signed) J. H. MASTER,
Collector.

This may be permitted when it is absolutely necessary to gravel the roads,
but in most cases it will suffice, the Board think, to prepare and stack the materials
at the nearest quarry.

2. If carts can be got for hire without bullocks or buffaloes, gangs of coolies
should be employed to drag them and the materials thus transported to the place
where it is wanted.

(A true Copy and Extract.)

Secretary.

No. 530-B. ORDER THEREON, 28th May 1877, No. 1,829-A.

Miscellaneous.

THE Government do not consider
that Famine Funds should under any
circumstances be spent in the casual
employment of animals as suggested. Other work should be found for the coolies.

(True Extract.)

Additional Secretary to Government.
