I REGRET to report, for your information, that the Dupad Range Officer has, in his Arzi No. 28, herein enclosed, informed me of the destruction by fire of eighty bags of rice in Chapalamadugu. It appears that these bags were in a thatched building close to a number of similar buildings which were also on fire.

2. I propose visiting the several ranges in Markapur Taluq before long, and making arrangements for the removal of rice bags in Isakatripuravaram, Chapalamadugu, and Gannypully, to either Markapur or Dupad.

Miscellaneous.

WITH regard to the removal of the rice stored at Isakatripuravaram and Gannypully to Chapalamadugu, and Markapur, respectively, His Grace the Governor in Council observes that if the rice was likely to be useful at the former places, there was apparently no good reason to move it at much cost.
