Famine Relief.

Read the following paper :—

No. 538-C. Proceedings of the Board of Revenue, dated 16th May 1877.

Read the following letter from J. H. MASTER, Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Anantapur, 3rd May 1877, No. 348.

A bondam or pond in the village of Hollal, in the Huvinhadgally Taluq, which was silted up very much, was cleared out last year, and about 740 Rs. were spent upon it. After the work was completed an estimate, amounting to Rs. 450, for the construction of a supply channel to the pond was received from the District Engineer. As these sums were within the prescribed limit delegated to Collectors, I authorized the execution of this work.

2. But now the Deputy Collector, in whose division the work is being proceeded with, urges the necessity of revetment work to the pond to make it durable in all respects, and submits an estimate (herewith sent) for Rs. 1,000, which, as well as the amount already sanctioned put together, will exceed the prescribed limit.

3. As the reservoir in question is useful to both man and beast, I request you will be good enough to obtain the necessary sanction of the Board for the execution of the work.

4. As the work could not otherwise be completed before the monsoon sets in, the Deputy Collector has ordered it to be gone on with in anticipation of sanction.

The estimate is sanctioned for execution as relief-work.
