No. 559. Proceedings of the Board of Revenue, dated 23rd April 1877.
Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 22nd March 1877, No. 192:—

I HAVE the honor, with reference to the Proceedings of the Board, dated 3rd instant, Miscellaneous No. 3,115, communicating G.O., dated 19th ultimo, No. 741, to report that there are only two villages, Balapulli and Mamandur, to provide for, and grazing ground could be found in the vicinity of these villages outside the block to be handed over, which might be set apart for them if it is thought necessary to exclude them entirely from the Napier Foundry Company's Reserve; but I do not see any such necessity as the villages are small and the cattle few, and there is little or no demand by the villagers for agricultural wood. I do not, therefore, anticipate any great injury to the Napier Foundry Company's block of jungle from the grazing of cattle or the removal of beams, firewood, &c., from it by the villagers.

SUBMITTED to Government with reference to the Order quoted.

2. It does not appear necessary to make any special provision for the two villages situated outside the block to be worked by the Company, as under the agreement only one-fifteenth of the whole area will be handed over at a time.
