Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Sydpet, 11th May 1877, No. 342.

ADVERTING to paragraph 6 of G.O., dated the 31st January last, No. 329, Financial Department, I have the honor to report on the physical condition of the coolies employed on relief-works in this district during the week ending Saturday, the 5th instant.

2. The Special Relief Officer says, "the people who came under my notice as laborers in this district on the reduced scale of wage, are still falling off; and it will be unnecessary that I should furnish any further weekly report on this subject, as I am fully convinced, and no further experience can alter this conviction, that the reduced scale of wage is insufficient to provide the laborer with the necessary food to keep up his physical condition and at the same time do any work."

3. The Deputy Collector in charge of the Sydpet Taluk has observed no changes, but the officers in charge of relief-works in the Trivellore Taluk state that there has been a slight deterioration in the physical condition of the coolies owing to the insufficiency of the scale of wages, but partly to the excessive heat of the weather.
