GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

29th May 1877, No. 1,854-B.

Famine Relief.

Read the following paper:—

No. 579-C. Proceedings of the Board of Revenue, dated 17th May 1877.

Read the following letter from Mr. M. L. FRANK, Special Overseer, 1st Grade, to J. P. SCOTLAND, Esq., C.E., Special Assistant Engineer, Famine Relief Works, No. 2 Section, Nundial, No. 85.

I BEG to report that I returned to duty yesterday.

2. I beg to state that since my arrival from Malabar in November last my health has suffered severely from a residence, though short, in this famine district, as will be found by a reference to the medical registers of the civil dispensaries of Nundial and Kurnool for the months of December and January and February and March, respectively.

3. My constitution, never at any time very robust, has been gradually enfeebled by residence in unhealthy climates, such as Wynaad, Hassanoor, Talamala, Burghoor, and Gedysal in the Coimbatore District. In the former, so far back as 1864, I was compelled to resign my post, and from the latter I succeeded in obtaining a transfer to Malabar, my native country, in 1874.

4. I am still in an enfeebled state of health, and I earnestly solicit the favor of your kindly bringing my case to the special notice of the Collector and the Chief Engineer that the necessary orders may be passed for my return to Malabar, for which act of justice I shall ever be deeply beholden to you.

No. 36.

FORWARDED, in original, to the Special Assistant Collector with a recommendation that, if another Overseer can be sent to relieve Mr. Frank, he may be transferred to some other district, as he is perfectly useless in his present post.
