No. 578. Endorsement of the Secretary to Government, Military Department, dated Fort St. George, 25th May 1877, No. 3,074.

Read the following letter from Colonel J. TOUCH, Officiating Controller of Military Accounts, to Colonel J. MICHAEL, C.S.I., Secretary to Government, Military Department, dated Fort St. George, 24th May 1877, C.

In forwarding the memorandum from the Adjutant-General, dated 5th May 1877, No. 34, with its accompaniments, recommending a gratuity of six months' pay to the widow of the late Private Nagen, No. 1,532, of the Sappers and Miners, who died of cholera on the 15th December 1875 while marching to Kotapatam with the B. Company for employment on the famine relief-works, I have the honor to inform you that the widow is not entitled to any gratuity under Military Rules; but the present claim being preferred with reference to the Orders of Government, Revenue Department, dated 5th March 1877, No. 938, granting a gratuity under somewhat similar circumstances to a widow from the Famine Relief Fund, the application in question should be transferred to that department for disposal.

TRANSFERRED for the consideration and orders of Government in the Revenue Department.

Miscellaneous.

HIS GRACE the Governor in Council is unable to recognise any analogy between the case of Private Nagen, who died of cholera on the march with his Company, and that of private Rangasami who died of the same disease while supervising relief-works in the Bellary District, and whose case was treated specially.

2. The application for a gratuity in the present case must be refused.
