PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th December 1876

Read the following letter from C. T. LONGHIEY Esq., Collector of Salem to
H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated
Salem, 20th November 1876, No 307 —

I HAVE the honor to submit the following case for the favorable consideration
of the Board

2 The ryots of Narasingapuram in the Tripatore Taluq executed repairs to the
Venkethathan tank in their village, and applied to the Acting Head Assistant
Collector for payment of the money spent by them. The Head Assistant Collector
considers that they did this work of their own accord in that they apprehended that
it will take a long time for the Public Works Department to do it, and that in the
mean time they may not get remissions for their lands on the score of disrepair.
Whether or not their apprehensions are well founded, I think it unnecessary now to
inquire, but, as the Range Officer is of opinion that Rupees 300 have been spent by
them on the work, I beg the Board will be pleased to obtain the sanction of Govern-
ment to pay them this sum.

Of course I am opposed to create a precedent of this kind for the future, but
I make this recommendation as a special case in an exceptionally bad year as the
ryots have, though unauthorized, incurred the expense in good faith.

SUBMITTED for the favorable consideration and orders of Government
