Read the following paper:—

No. 612. Proceedings of the Board of Revenue, dated 19th May 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Palmanair, 8th May 1877, No. 311.

I HAVE the honor to enclose the two estimates carefully prepared by Overseer Ruthnavaloo Moodelly for collecting materials for the roads, one from Yerpadoo on the 8th mile of Naidupett road to Venkatagiri, and the other from Kalastri to Naidupett in the Kalastri Division.

2. The total estimate for the first road, which is of 15½ miles, is Rs. 9,986. For this I have already sanctioned Rs. 2,000 in view to carry on the work of collecting materials, and the work is now actually in progress. The remaining amount now requiring sanction for this road is therefore Rs. 7,986.

3. The total estimate for the second road, the distance of which is 24 miles, is Rs. 15,462. For this I originally sanctioned Rs. 2,000, and when that sum was expended I again lately sanctioned a further grant of Rs. 1,000 in anticipation of the Board's approval. Deducting, therefore, the Rs. 2,000 sanctioned by me within my powers, the net amount for which the Board's orders are now sought for this road is Rs. 13,462.

4. As the funds at the disposal of the officer concerned for the roads in question will shortly be completely exhausted, I beg to be favored with an early sanction for Rs. 7,986 for the first road and Rs. 13,462 for the second.

5. The abovementioned estimates may be returned when no longer required.

The estimate, Rs. 9,986, for collecting material on the Naidupett road to Venkatagiri is sanctioned.

2. That for collecting material for the road from Kalastri to Naidupett, Rs. 15,462, will be submitted for the sanction of Government. It is marked A B in red on the enclosed map, which it is requested may be returned.

3. The Board note that both works are in progress.
