GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

1st June 1877, No. 1,876-A.

Famine Relief.

Read the following paper :—

No. 14-A. Proceedings of the Board of Revenue, dated 24th May 1877.

Read the following letter from Captain A. BROOME, 18th Bengal Cavalry, on Special Famine Duty, Kurnool District, to R. DAVIDSON, Esq., Acting Collector of Kurnool, dated Peapally, 4th May 1877.

I HAVE the honor to request you will be good enough to forward this letter to Government for favorable consideration, and I trust that the application will meet with your recommendation.

2. Since joining my appointment in this district I have regularly drawn in my monthly pay bills, feeling sure that I was entitled to it, Rs. 60 per mensem, horse allowance for my two horses. I have, however, just received a letter from the Deputy Accountant-General at Madras requesting me to recover* in

* Repay.
my next pay bill the amount already drawn, and stating that I am not entitled to horse allowance.

3. This, I beg to state, is hard on me, as the keep of horses down here is most expensive, and I am obliged to give them extra food in order to keep them up to doing the work I require of them. I may mention here that my horses have been doing, since I joined this district last January, on an average of 500 to 550 miles a-month, about 18 miles every day; they are nearly always out on dāk, and the wear and tear is very considerable.

4. Everything being so very dear down here, I am also obliged to nearly double the pay of my horse-keepers, which, together with the dearness of grain and fodder, makes my monthly horse bill a very heavy one, and the Rs. 60 per month that I have up to date been drawing only just covers it.

5. In conclusion I beg to state that I am in receipt of no staff allowances from my regiment while on famine duty, which fact considerably lessens my monthly pay, and makes the deduction of the horse allowance still harder on me.

6. Under these circumstances, therefore, I trust that Government will look favorably on my application, and grant me the Rs. 60 per month for keep of my horses.

Revenue Department, 1st June 1877, No. 1,876-A.

SUBMITTED for the orders of Government.

2. The Board presume that Captain Broome has been drawing staff allowance under G.O., 8th March 1877, No. 990, which includes horse allowance, *i.e.*, allowance, or Rs. 30, for one horse. If his work is such as to require that he keep two horses, he ought, on the principle laid down in G.O., 15th January 1877, No. 128, to draw allowance for one; and the Board recommend that a ruling to this effect be issued in continuation of the Government Order just quoted.
