GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th June 1877, No. 1,886.

Read the following papers:—

No. 33. Proceedings of the Board of Revenue, dated 13th October 1876, No. 2,570, Forest No. 89.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 23rd September 1876, No. 446.

I HAVE the honor, with reference to paragraph 4 of the Proceedings of the Board, dated 18th ultimo, Forest No. 75-2,117, to explain that the reason why no portion of the cost of maintaining the establishments for the conservancy of the Chendragiri and Gudiattam jungles was debited to Jungle Conservancy Funds was because, on the 1st April last, the sanctioned Imperial Establishments were entertained, pending the settlement of the question as to whether the jungles were to remain Local or were to be transferred to Imperial. If they remain Local, the Jungle Conservancy Fund will have to bear the cost from 1st April; but if transferred to Imperial Forests, the Forest Department would bear the charge from 1st April, and the revenue derived from the jungles from 1st April 1876, at present credited to Jungle Conservancy Funds, would have to be transferred to the credit of the Forest Department.

2. The Imperial establishment has done the work of the local jungles of Chendragiri and Gudiattam in addition to their own work, because an establishment was proposed and sanctioned for those two taluqs in the belief that the jungles would be transferred to Imperial Forests.

3. The cost incurred on account of the establishment in question from 1st April to 31st August, and proposed to be refunded from Jungle Conservancy Fund is as follows:—

	RS.	A.	P.
Two-thirds of pay and allowances of the Forest Ranger, at 50 Rupees a-month	250	0	0

	635	0	0

Gudiattam Taluq.

Pay of Forester for 23 days in April, at 30 Rs. a-month	23	0	0
Do. of do. at 30 Rupees, from May to August	120	0	0

No. 34. Proceedings of the Board of Revenue, dated 21st April 1877.

Read again Board's Proceedings, dated 13th October 1876, No. 2,570.

Read also the following Proceedings of the Madras Government, dated 16th November 1876, No. 1,693, Revenue Department.

ABSTRACT.—*Jungles in North Arcot District.*—Approving the proposals of the Collector in connection with the establishments of the —, and intimating that the sanction in the case of Chendragiri and Gudiattam will be temporary, pending the settlement of the question of their transfer to Imperial.

On the receipt of the foregoing Government Order, the fact that the Collector's letter embodied in the Proceedings above quoted required disposal was overlooked; it will now be submitted for orders.

2. In paragraph 3 of his letter, recorded in Board's Proceedings, dated 18th August 1876, No. 2,117, Mr. Whiteside brought to notice that, although the revenue derived from the Gudiattam and the greater portion of the Chendragiri forests had been credited to Jungle Conservancy from the 1st April 1876, the cost of the establishment maintained for the conservancy of these jungles had been debited to Imperial; further information was called for, and the Collector now explains that the sanctioned Imperial Establishment was entertained from 1st April 1872, and that it was intended to adjust the receipts from that date with reference to the ultimate decision of the question as to the transfer of these jungles to Imperial. As a further report from the Collector on this question has been called for, and some time must elapse before a final decision is arrived at, the amount debited to Imperial up to date should be refunded from Jungle Conservancy Funds; the cost of the establishments per mensem is marginally noted.
