Famine Relief.

Read the following paper:—

No. 38. Proceedings of the Board of Revenue, dated 26th May 1877.

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Masulipatam, 14th May 1877, No. 945.

With reference to the paragraph 4 of Proceedings, No. 1,337, dated 24th March 1877, I have the honor to report that the number of persons who are now seeking relief in this district, all or nearly all persons who will not work, is rapidly increasing. In Guntoor the numbers in seven days rose to upwards of 400, and the last reports from Vinukonda are that the people fed there are nearly 700, and at Narsarowpet 500.

2. The General Deputy Collector gives it as his opinion that this influx of people is due to the more rigid economy now introduced in the relief-work of the adjacent districts of Kurnool and Nellore.

3. I have not at present any information as to whereabouts of the people who are fed at Guntoor.

THE Collector should ascertain where these people come from, and, if capable, they should be made to work. The Board hope, however, that the late rains may have done some of them good.
