GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th June 1877, No. 1,889-A.

Famine Relief.

Read the following paper :—

No. 41-A. Proceedings of the Board of Revenue, dated 23rd May 1877, Miscellaneous No. 7,507.

Read the following letter from Major F. J. HICKS, Grain Transport Agent, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Bellary, 14th May 1877, No. 653.

As the despatch of Government rice from Madras to the Ceded Districts has ceased, I have the honor to request you will be good enough to submit, for the consideration of the Board, whether it is necessary to keep up my office and establishment any longer than is necessary for me to adjust existing open accounts.

2. I expect to obtain all the necessary vouchers to enable me to close my accounts by the end of this month, and I think that after that, if I furnished a return showing the quantity of rice supplied to each district, supported by the necessary vouchers and receipts from district officers, my connection with this office might cease, so as to allow me to revert to my Police appointment.

3. Hereafter the account of the expenditure of the reserve rice now in store in each district might be submitted to the Board by the District Collectors, and as my Head Clerk, T. Sundara Row, holds a permanent appointment in the Board's Office, he might still be specially employed in checking such returns under your orders.

4. I venture to suggest this, as now the work of the transport has ceased. I do not think there will be enough work to keep me employed, and if at any time any reference to me is necessary, I could easily attend at the Board's Office, as my head-quarters in my Police appointment will at present be at Guindy, which is not far off.

SUBMITTED for the orders of Government. So far as the Board are aware, there would seem to be nothing to render it necessary for Major Hicks to remain at Bellary longer than to enable him to close accounts.

Secretary.

No. 41-B. ORDER THEREON, 4th June 1877, No. 1,889-A.

Miscellaneous.

THE establishment now serving under Major Hicks will be dispensed with when Major Hicks closes his accounts and furnishes the statement referred to in paragraph 2 of his letter recorded

in the above Proceedings of the Board of Revenue. He will report his having done so to the Board, who will be good enough to take charge of the records of the office should there be any. Major Hicks will himself revert to his Police appointment, and will report himself to the Inspector-General of Police.

2. As regards the statement above referred to, His Grace in Council desires that it should show by districts the total quantities of Government grain received for transport forwarded, delivered, and distributed monthly; also the number of men and cattle engaged in, and supported by, the work, together with the cost of the arrangements made by Major Hicks.
