Famine Relief.

Read the following paper :—

No. 63. Proceedings of the Board of Revenue, dated 26th May 1877.
Read the following letter from C. T. LONGLEY, Esq., Collector of Salem,
to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 18th
May 1877, No. 280-1,533-B.

I HAVE the honor to enclose an estimate for Rs. 5,600 for dismantling the fort
walls at Denkanicotta in the sub-division, and to request the Board's early sanction
to the same. Work is much wanted in the southern part of the Usur Taluk, but
there are not many irrigation works, nor are they required owing to the jungly
character of the country. The levelling of the fort walls is very useful for relief
purposes, and the fort in question will provide for a large number for a considerable
time.

THE Board sanction the estimate but with some reluctance, as the works in
Salem are already too numerous and scattered, and the Board do not think it
advisable that more fresh works should be opened if it can be avoided.

Miscellaneous.

THE Collector will be called on to
state if any public advantage will result
from levelling the fort walls other than
that of providing employment for coolies, and if not, whether more useful employ-
ment cannot be devised, such as repairing tanks or clearing out supply or irriga-
tion channels. 1901
