Read the following paper :—

No. 225. From Major F. J. HICKS, Government Grain Agent, Bellary, to the Chief Secretary to Government, dated Bellary, 14th March 1877, No. 395.

The Collector of Bellary informs me that he does not require any more Government reserve rice at any of the district depôts* supplied from the chief depôt at Bellary; and, as, according to the terms of my agreement, I request the sanction

ment, I can stop the cart contract to these places at any time, I request the sanction of Government to give the necessary notice and close the contract at once.

2. I also request sanction to cancel that part of my advertisement offering to carry grain for merchants from Bellary to the several places named. I think this can safely be done as carriage is available and no such great necessity exists for Government to continue the carriage of grain for merchants at rates lower than agreed on in our contracts.

No. 226. ORDER THEREON, 19th March 1877, No. 972.

The Collector of Bellary will report what reserve of Government grain is in store at the stations named.
