GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

6th June 1877, No. 1,911-A.

Famine Relief.

Read the following paper:—

No. 103-A. Proceedings of the Board of Revenue, dated 25th May 1877.

Read the following letter from V. JAGANNADHA ROW, Temporary Special Deputy Collector, to R. DAVIDSON, Esq., Acting Collector of Kurnool, dated — May 1877.

I RESPECTFULLY beg to bring to your notice the fact that my appointment to this district as a Temporary Special Deputy Collector has considerably added to my expenses, while I have not as yet got any extra allowances to cover the same.

2. As Huzoor Sheristadar at Ganjam I was receiving Rs. 250 a-month, and when I was posted to this district on famine duty I was not without hopes of getting adequate remuneration to cover the heavy expenses which I would be put to. Everything up here is so dear that the demands on my purse have been nearly doubled. Further, under urgent telegraphic instructions conveyed by the Government through the Collector of Ganjam, I had to leave the district at very short notice, not even having had time to dispose of my things or to make suitable arrangements for bringing down my family with me. I am consequently obliged to keep up double establishment at much pecuniary loss besides personal inconvenience.

3. I hear that some Special Deputy Collectors in Bellary and Cuddapah (to wit Mr. Sharkey) similarly circumstanced as myself are receiving a special famine allowance of Rs. 100. I beg that similar indulgence may be shown in my case also, with retrospective effect from the date of joining my present appointment. From pressure of work I have not been able to put in this application earlier.

4. Having had to work under your own eye as your personal assistant at head-quarters, I need hardly mention here the onerous duties which have devolved upon me, and how fully they have occupied my time in and out of office hours.

5. Under these circumstances, I hope you will be pleased to look favorably on this application, and submit the same for the sanction of the higher authorities.

No. 461.

FORWARDED, through the Board of Revenue, for the favorable consideration of Government.

2. When I joined this district towards the end of last year I felt greatly the want of an efficient assistant to help me with the exceedingly heavy and responsible work in hand. I bethought me of V. Jagannadha Row, of whose high attainments and business habits I had obtained personal experience in the Ganjam District, where he was my Sheristadar.

Revenue Department, 6th June 1877, No. 1,911-A.

3. I applied for his services, which Government were pleased to grant me, and I have the utmost satisfaction in testifying to the efficient aid which V. Jagannadha Row has rendered me in all departments, but more especially in those relating to famine matters. I have pleasure, therefore, in supporting his present application, as well on the ground of the unavoidable expense which he has been put to as remuneration for the excellent service which he is rendering to the State.

4. I am glad to find that Mr. Bird, before leaving, favorably recorded his opinion of the able assistance he had received from V. Jagannadha Row during my absence on inspection tours.
