GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

20th March 1877, No. 995.

Famine Relief.

Read the following paper:—

No. 245. *From Major F. J. HICKS, Government Grain Agent, Bellary, to the Chief Secretary to Government, dated Bellary, 14th March 1877, No. 397.*

I have the honor to report that the carriage of the minimum quantity, 4,000 tons, of rice contracted to be carried from Adoni to Kurnool has been completed, and I request the sanction of Government to stop the further despatch of reserve rice from Adoni to Kurnool, and to cancel that part of my advertisement offering to carry grain for merchants from Adoni to Kurnool.

2. I think this can safely be done as a large supply of grain has already been thrown into Kurnool, and merchants will continue to send further consignments from Adoni as carriage is still available, and I do not think any reason exists why Government should continue to provide carriage for merchants at rates lower than agreed on in our contracts.

3. I could, of course, continue to do this if Government wished it, but the loss would be considerable.

No. 246. *ORDER THEREON, 20th March 1877, No. 995.*

The contract supply having been completed, the despatch of Government grain will cease, and Major Hicks' advertisement will be modified accordingly.
