GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

7th June 1877, No. 1,920-B.

Famine Relief.

Read the following paper:—

No. 121-C. Proceedings of the Board of Revenue, dated 26th May 1877, Miscellaneous No. 7,639.

Read the following letter from T. W. DeGRUYTHER, Esq., to E. GIBSON, Esq., C.S., Special Assistant Collector, Section No. 2, dated Chagalamarri, 25th March 1877.

THE enclosed memorandum, No. 622, dated 23rd February last, from the Accountant-General, Madras Presidency, was received yesterday, and from it I learn that I am only entitled to draw my salary and horse allowance, aggregating to Rs. 280 per month, from the date of joining my appointment, and further that no travelling allowance has been sanctioned.

2. I left Benares, on receiving a telegram from Mr. Garstin to do so, on the 15th February and was detained at Poona and Shahabad, *en route* to the Kurnool District, under peculiar circumstances. The first detention was in consequence of exhaustion of funds, as I had an imperfect idea of the cost of the journey on undertaking it, and the awaiting arrival of money from Allahabad to enable me to proceed to my destination, and the purchasing of camp equipage involved a delay which, under the circumstances, was unavoidable. Next, I was compelled to break journey at Shahabad to obtain medical treatment, as I was suffering from rather an acute attack of dysentery and fever, and did not leave that station till the 11th March, when I found myself convalescent, and it was not till the afternoon on the 15th of March that I arrived at the Sirwell Taluq, to which I had been posted by the Collector of Kurnool.

3. Payment of salary from date of setting out to join an appointment is not unprecedented, but it may perhaps be unreasonable to expect such a concession in my favor, notwithstanding the foregoing explanation, as I have exceeded the time, by at least 15 days, usually allowed to accomplish a journey of 1,480 miles by railway; but the sanctioned allowance of 3 Annas per mile to Government employes when travelling by rail may, in my opinion, be granted even as a special case, should such be found to be generally inadmissible by the Regulations of the service. There are exceptions to all rules, and considering the expense of a journey from Benares to Sirwell, I beg that some compensation be awarded which would partially, if not wholly, recoup the outlay from my private purse.

4. Please forward copy of this letter to Mr. Garstin for his consideration, and reply and return enclosure.
