GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

8th June 1877, No. 1,924-B.

Famine Relief.

Read the following paper:—

No. 128-C. Proceedings of the Board of Revenue, dated 23rd May 1877.

Read the following letter from Major A. DEC. SCOTT, R.E., Acting Superintendent of Revenue Survey, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Chepauk, 14th May 1877, No. 1,544-52.

I HAVE the honor to refer, for the decision of the Board of Revenue, the questions raised by the Collector of Salem, in his letter of the 2nd May 1877 herewith enclosed. The Board is already in possession of a list of the Surveyors transferred to relief-works showing the several increments of pay they received when detailed for the duty. There can be no doubt that the dearness of food in the famine districts was a point considered amongst others when the question of salaries was settled, and on that ground I am of opinion that the men should not receive batta in addition.

2. You will note that inquiry is made in the last paragraph of the Collector's letter relative to the amount of mileage and travelling batta to which the Surveyors are entitled. As this question has to be considered in connection with their present duties only, I have no opinion to offer on the subject, merely observing that when Surveyors move from one district to another, they are entitled to rail-fare and mileage as per margin.

Third-class rail-fare to persons whose pay is less than Rs. 50.
Road mileage, at 2 annas per mile, to persons whose pay is less than Rs. 40.
Second-class rail-fare to persons whose pay is Rs. 50 and upwards.
Road mileage, at 4 annas per mile, to persons whose pay is Rs. 40 and upwards.

ENCLOSURE No. 1.

From C. T. LONGLEY, Esq., Collector of Salem, to Major A. DEC. SCOTT, R.E., Acting Superintendent of Revenue Survey, dated 2nd May 1877, No. 45-1,308.

I HAVE the honor to request that you will be good enough to inform me if the Draughtsmen detailed for duty in this district from your Office, and to whom an increased relief pay of Rs. 15 is allowed, are entitled to the Rs. 1-8-0 batta under G.O., No. 41, dated 5th January last. I also request that you will inform me if the Surveyors and Gumastahs sent by the Deputy Superintendent of Coimbatore whose pay has been raised to Rs. 16 are entitled to the above batta. The Director of Revenue Settlement states that the men of his department, to whom a similar concession, as regards pay, has been granted, are not entitled to the famine batta of Rs. 1-8-0 under the above Government Order.

2. I shall also feel favoured by your informing me whether the officers detailed from the Survey are entitled to mileage and travelling batta, and, if so, at what rate.

Miscellaneous.

His Grace in Council is of opinion that as the salaries of the servants of the Survey Department were raised, with reference to the dearness of provisions resulting from the present scarcity, and their transfer to famine relief service, there is no reason to grant them special famine batta in addition. They may, however, draw batta for the journey from the district in which they were serving to that to which they have been posted, if different, at the rates usually prevailing in the Survey Department, and specified in the Superintendent's letter above read.

His Excy in Council is of opinion that on this occasion effect cannot be given to the Govt's proposal to grant Batta to the Surveyors employed on famine relief works in addition to their pay, but that they should be allowed the same travelling allowance as is granted to Surveyors employed in the Survey Dept. and recommended in Dy Supt's letter above read.
