Famine Relief.

Read the following paper :-

No. 132-C. Proceedings of the Board of Revenue, dated 30th May 1877.

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Shembaganur, 29th May 1877, No. 339.

As it was found necessary to have in hand a sufficient number of estimates for irrigation repairs to be executed as famine relief-works in the Tirumangalam Taluq, the District Engineer was requested to prepare certain estimates. He says that it is impossible to comply with this request without two or three additional Overseers, and that the Public Works Department Overseer of this taluq is at present under suspension, and will probably be dismissed. He has, therefore, in anticipation of sanction, appointed a Temporary Relief Overseer on a salary of Rs. 60 per mensem and 15 Rs. batta for preparing the estimates.

2. In these circumstances, I request that the sanction of Government may be obtained for the entertainment of an Overseer for such time as may be required.

3. For some years past the Public Works Department Establishment in this district has been incompetent to discharge the duties entrusted to it. It is, therefore, evident that it can bear no additional strain when circumstances require that a little extra work should be done.

SUBMITTED for the sanction of Government.

2. The Collector of Madura asks sanction for the appointment of a temporary Relief Overseer on Rs. 60 + 15, to enable the District Engineer to prepare estimates for famine works in Tirumangalam Taluq.
