Read again Government Resolution No. 1443 dated 10th June 1896.

Memorandum from the Consulting Engineer for Railways, No. 1082 dated 3rd February 1898.

Submits the following letter from the Agent, Southern Mahratta Railway Company, No. 8624/10169 dated 16th October 1897 :—

"In continuation of correspondence ending with this office letter No. 8624 of the 2nd September 1897, I have the honor to forward herewith, for favor of the necessary action, land plan and schedule (sheet No. 1 D) in triplicate, for the acquisition of 'A' class land required for the extension of the station yard at Guntakal.

"2. Plans and schedules for land measuring 4 acres 25·29 poles out of Survey No. 250 were submitted and the land was acquired under Bombay Government Resolution No. 1443 of the 10th June 1896 for District Locomotive Superintendent's bungalow at Guntakal. It is, however, understood that the compensation of Rs. 945 referred to in the Government Resolution was fixed for the whole field which has been handed over to the Company by the Revenue Department. It is therefore necessary to submit land plans and schedules for the remaining portion of the survey number to regularize this acquisition.

"3. The plan and schedule have been verified by the Revenue Authorities."

Letter to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, No. 389 dated 4th February 1898 :—

"Referring to correspondence ending with this Government letter No. 1444 dated 10th June 1896, I am directed to forward herewith the undermentioned documents relating to the proposed acquiry for the Southern Mahratta Railway Company under Class A of a certain block of land at Guntakal measuring 14 acres, 3 roods and 1 pole as per land plan and schedule No. 1 D.

"2. I am to say that this Government concurs with the Agent, Southern Mahratta Railway Company, as to the advisability of the acquisition of this plot, and I am therefore directed to request the favor of formal orders being issued for transferring to the Southern Mahratta Railway Company the plot of land shown in the land plan and referred to in the schedule herewith submitted.

"3. I am also to enquire whether the surmise made in para. 2 of the Agent, Southern Mahratta Railway Company's letter as regards the compensation of Rs. 945 referred to in Bombay Government Resolution No. 1443 dated 10th June 1896, is correct. If so, I am to request that this Government may be informed in due course of the farther amount, if any, of compensation and of the capitalised value of loss of assessment to Government that should be debited to the Capital Account of the Southern Mahratta Railway Company in respect of this particular piece of land."

Letter from the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, No. 263 R. M. dated 25th July 1898 :—

"With reference to your letter No. 389 dated 4th February 1898, I am directed to state that, for the purpose of building a bungalow for the District Locomotive Superintendent, land measuring 4 acres and 25 poles, out of the Survey No. 250 A in Timmencherla Village, Gooty Taluka, Anantapur District, was applied for in December 1895, but the whole survey (18·89 acres) was transferred to the Southern Mahratta Railway Company in February 1896. This transfer appears to have been made in anticipation of the Notification under Section 6 of Act I. of 1894 published on page 921 of the *Fort Saint George Gazette* dated 28th July 1896, which specifies the whole area of the survey number, viz., 18·89 acres as being needed for a public purpose. The Collector's action was revalidated and the grant of compensation was sanctioned to

the owner in the shape of an assignment of other land situated in the neighbourhood. The whole field has thus been legally acquired, and it is presumed that the capitalized value of the assessment of the whole field, *viz.*, Rs. 809 was debited at the time to the Capital Account of the Southern Mahratta Railway Company. If this presumption be correct, there is no necessity to take any further action on the application submitted by the Agent, Southern Mahratta Railway Company, for the transfer of that portion of the survey number which was not referred to in his original application dealt with in the letter from the Government of Bombay No. 2721 dated 16th December 1895."

Letter to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, No. 2561 dated 24th September 1898:—

"Adverting to your letter No. 263 R. M. dated 25th July 1898, I am directed to state that the amount of capitalized value of the land, Rs. 809 referred to therein, has not yet been adjusted in the Capital Account of the Southern Mahratta Railway Company.

"2 I am accordingly to request that, with the approval of the Government of Madras, you will kindly ascertain and inform this Government whether the amount in question is the capitalized value of assessment which the Collector of Anantapur promised to report in para. 3 of his letter No. 222 dated 19th April 1896, forwarded with your memorandum No. 263 D. dated 28th May 1896, and, if so, whether it includes the amount of Rs. 516 referred to in para. 2 of the Resolution forwarded with your letter No. 73 R. M. dated 14th February 1898."

Letter from the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, No. 346 R. M. dated 3rd November 1898:—

"In reply to your letter No. 2561 dated 24th September 1898, I am directed to inform you that Rs. 809 is the capitalized value of the loss of assessment on the 18.89 acres of land taken up for bungalow purposes at Guntakal. This is the amount which the Collector of Anantapur promised to report in para. 3 of his letter No. 222 dated 19th April 1896, as will be seen from para. 1 of the Collector's subsequent letter No. 222 dated 5th September 1896, embodied in the proceedings of the Board of Revenue No. 4835 Mis. dated 27th October 1896, copy of which was forwarded to you with my letter No. 4249 C. dated 19th November 1896. Rs. 516 referred to in the correspondence printed in Bombay Government Resolution No. 637 dated 26th February 1898, represents the capitalized value of the assessment on the putta lands in which the huts adjoining the bungalow site stood. The former amount therefore does not include the latter.

"I am accordingly to request that necessary steps may now be taken for the adjustment of Rs. 809 in the Capital Account of the Southern Mahratta Railway."

RESOLUTION.—The payment of the capitalized value of the loss of assessment in respect of the land acquired under plans and schedules Nos. 1 B and 1 D amounting to Rs. 809 is sanctioned, debitable to the Capital Account of the Southern Mahratta Railway Company.

2. A copy of these orders should be forwarded for the information of the Government of Madras.
