GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

11th June 1877, No. 1,945.

Read the following paper:—
No. 168. Proceedings of the Board of Revenue, dated 15th May 1877,
No. 2,229.

Read again the following Proceedings of the Board of Revenue, dated 15th January 1877, Miscellaneous No. 479.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 15th December 1876, No. 695:—

I HAVE the honor to forward a tabular statement of claim preferred by the Zemindar of Santavaloor, Conjeveram Taluq, on account of compensation for lands taken up for public purposes in his moottah, and to request the sanction of the Board for reducing the peishcush of the estate by Rupees 5-13-6. I also request their sanction for refunding to the Moottahdar Rupees 75-15-6, being the value of the Melvarum which the Moottahdar has lost during the past thirteen years.

2. I further request the sanction of the Board for the payment of Rupees 34 to the Mirassidars, being the value of the land; and the same having been taken up prior to the Road Cess Act III of 1866 or Act IV of 1871 coming into force, the Acting Sub-Collector is of opinion that the Funds, and I agree with him.

ENCLOSURE No. 1.—Tabular Statement.

THE Collector will explain why the claim was not brought forward before.

Acting Secretary.

Read also the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Sydapet, 24th March 1877, No. 220:—

In reply to the Board's Miscellaneous No. 479, of the 15th January last, I have the honor to forward translation of a report from the Tahsildar of Conjeveram affording the explanation called for by the Board.

2. From this it will be observed that the great delay in disposing of the compensation claims, referred to in the above Proceedings, is due to the fact that takeed No. 718 issued from this office on the 16th September 1874 was through oversight omitted to be brought on the list of unanswered papers in the taluq, and thus the whole matter was lost sight of. As the Gumastah, to whom the takeed in question was referred, is dead, and the then Tahsildar has left the district, I cannot now hold any one responsible for the omission, which seems chiefly the fault of the deceased Gumastah.

ENCLOSURE No. 1.—Translation of Tahsildar's Report.

Revenue Department, 11th June 1877, No. 1,954.

In the Zemindari village of Santavaloor in the Conjeveram Taluq about 5½ acres of dry land, assessed at Rupees 5-13-6, were taken up in 1863 for the road from Wallajabad to Sunku var Choultry. The Collector recommends compensation by reduction of the peishcush of the estate to the extent of Rupees 5-13-6 and payment to the Zemindar of Rupees 75-15-6 on account of loss of crop during the past thirteen years, the land having been evidently taken up in 1863 and not 1873 as entered in the statement submitted by the Collector. The Collector further requests payment to the Mirassidars of Rupees 34, being the value of the land.

2. The sanction of Government is requested for the reduction of the present peishcush of the estate Rupees 601-2-0 by Rupees 5-13-6 and for the payment to the Zemindar and Mirassidars of Rupees 109-15-6 as recommended by the Collector.

3. There has been great delay in submitting this claim to compensation; the explanation contained in the Collector's second letter quoted above that the Collector's order of the 16th September 1874 was through oversight omitted from the list of unanswered references prepared in the taluq is not satisfactory; for, if the list of unanswered references had been duly scrutinized in the Huzur, the omission could not have escaped detection. Moreover, the explanation offered does not account for the previous delay in disposing of the claim.
