Read Government Order, Revenue Department, dated 16th December 1876,
No 2077

ABSTRACT—Recording Board's Proceedings re works for improvement of family
lands proposed for execution in Sirwell Taluq, in Kurnool District

THE Board intended that the works which were approved should be carried out
when wanted from the lump allotments of funds placed at the Collector's disposal.
The Collector asks that they should be approved to be put in hand when wanted.

2 This is the course which the Board have suggested in separate Proceedings.
The sanction of an estimate is distinct from the sanction of a work for execution,
which is equivalent to an allotment. The Board intend that the lump grants of
funds should be regulated by the amount for works sanctioned for execution and by
the expenditure already incurred.

3 The Collector's attention is called to the remark by Government about
estimates.
