(Signed) F. J. HICKS,
Government Grain Agent.

No. 372.

ORDER THEREON, 28th March 1877, No. 1106.

Ordered that the letter be communicated to the Board of Revenue through the Revenue (Famine) Department with reference to G.O. in that Department, No. 628-A, dated 12th February 1877.

2. Major Hicks will deal with the damaged grain as he suggests. There is nothing to show out of what quantity the twenty bags of sea damaged rice was shroffed. It is evident from the statement submitted by Major Hicks—and is to be expected—that in large consignments of rice a certain percentage will be rejected.
