on account of land sold; the balance of Rs. 1,13,453, that will fall due later on.

4. As remarked in the last report, the sanctioned in G.O., dated 16th December 1876, on the escheat establishment for a sum of Rs. 1,13,453.

the sanction for the retention of the staff led in G.O., dated 2nd June 1876, request that Government may be pleased to sanction the continuance of marginally-noted staff for a term of one year at a cost of Rs. 234 per mensem.

2. The division officers are unanimous in their opinion as to the necessity of continuing the temporary establishment for a further period, and I fully concur with them, as much remains to be done. I submit a statement showing details of work remaining to be done, from which it will be seen that lands valued approximately over 4½ lakhs of Rupees still remain to be dealt with in the district, of which lands worth 25,000 are ready for sale. Most of these cases are involved in dispute, and their settlement will entail no little amount of time, labor, and reference to voluminous old records.

3. The balances to be collected aggregate Rs. 9,49,851, of which Rs. 8,701 represent the lists in arrears and Rs. 1,01,150 indicates the instalments

of the new forms of deeds, 1,436, entails additional labor during the
